

SBISD VOLUNTEERS MUST REGISTER EVERY YEAR

All volunteers must register online at the SBISD website (www.springbranchisd.com) every year and pass a criminal background check. In order to utilize volunteers and have a smooth start of school, anyone that was cleared in the **2015-2016 Volunteer Database** may volunteer until September 30, 2016.

All volunteers MUST be cleared in the 2016-2017 Volunteer Database by October 1, 2016 in order to volunteer on our campus.

All volunteers will have to bring their driver's license to have their picture re-scanned into the V-Soft system at this time.

Allow at least 7-10 days for the volunteer background check to be processed. If you want to attend a field trip, we cannot guarantee that your paperwork will be processed if you wait until a day or two before the event.
