

July 9, 2018

Wilchester Elementary continues to grow and thrive each year! This is due in large part to the support and generosity of our local community. ***We hope that you will consider making a contribution to this year's Wilchester PTA Underwriting Campaign and have the opportunity to "See Your Name in Lights".***

With your continued support, our PTA has been able to provide numerous programs and resources that greatly enhance the education of our students. Some examples include: additional staff positions, staff development, reading and math enrichment, field trips, and technology, including iPads and Chromebooks. We also support the Wilchester staff with supplies, classroom materials, books, and valuable software that supports our curriculum.

Wilchester PTA Use of Funds (2017)

In addition to supporting our school, participating in our fundraising efforts can be a **valuable marketing opportunity for your business**. Our school continues to grow every year, and being recognized in our directory, on our website, and in other school materials gives you an advantage in seeking the business of families in our area.

In addition to our underwriting campaign, our PTA is hosting our Wilchester Auction, themed "License to Bid" on November 10th. We sincerely appreciate the many local businesses that have already contributed to our auction and are thankful for contributions to either or both campaign!

To become an underwriter, please return the completed reply form by Friday, August 31st. If you need additional information or have any questions, please contact me at wcewaysandmeans@gmail.com or (713) 443-8749.

We greatly appreciate the continued support of our local businesses and organizations in helping to make our students' experiences extraordinary.

We hope to "See your name in Lights" soon,

Cristi Hicks
